**UConn**  
**HEALTH**

# The Center for Prevention Evaluation and Statistics

A DMHAS-funded Resource Link, coordinated and staffed by UCONN Health to:

- Identify, collect, analyze, interpret and disseminate data pertaining to substance use prevention and mental health promotion;
- Track behavioral health indicators;
- Convene, support and chair the SEOW;
- Develop and maintain an interactive data repository available to DMHAS, other state agencies, and statewide stakeholders;
- Disseminate findings via technical reports, epidemiological profiles, presentations, consultation;
- Provide research and statistical expertise and support;
- Provide training and technical assistance for evaluation and use of data.
